

HUMAN DEVELOPMENT SUMMER PROGRAM

LIVE in Toronto

LEARN in the DEPARTMENT OF APPLIED PSYCHOLOGY AND HUMAN DEVELOPMENT

UNIVERSITY OF TORONTO

and Gain an Academic Advantage

The Human Development Summer Program is an immersive and enriching international academic experience, where students learn about human development while being exposed to the Canadian graduate student experience and Canadian history and culture at Canada's premier university.

Highly competitive with limited enrollment, students will thrive in a dynamic and supportive academic environment and can enhance their application for a Master's degree.
